

Omnia Dental Spa – Private Dental Fee Guide – 2018

Our aim is to provide you with professional dental care at affordable and competitive prices. We believe in transparent pricing, with no hidden charges, as nobody likes unwelcome surprises when it comes to paying a bill. Our private fees are regularly benchmarked against local practices to ensure that they are always very competitive. We strive to provide you with high quality dentistry whilst also delivering unquestionable value for money.

The following table is intended to serve as a FEE GUIDE for some of the private treatments that we offer. Please note that treatments can vary considerably in their complexity, and therefore, the treatment time required. In addition, the materials and laboratories selected will also influence the fee for a particular treatment. We believe in **simple, transparent fees** and we will always provide you with a **written treatment plan and quotation**. Please feel free to discuss your treatment options and costs with your dentist.

Our members enjoy a **20% DISCOUNT**

Receive **20% off your private treatment fees** with our dental membership plans.

Fees correct as of 1st January 2018
